DETAILED REPORT OF COVID-19 VACCINATION AWARENESS CAMPAIGN ON 04/08/2021

On August 4th, 2021, a Covid-19 Vaccination Awareness Campaign was successfully organized at Nanded Pharmacy College. The primary objective of this campaign was to raise awareness among the students, teachers, and the general public about the importance of getting vaccinated against the Covid-19 virus. Dr. N B Ghiware, the Principal of the college, played a crucial role in encouraging everyone to prioritize their health and safety by receiving the vaccine.

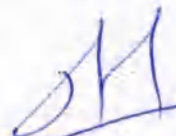

During the campaign, various activities were conducted to disseminate information about the Covid-19 vaccines and address any concerns or misconceptions that individuals might have had. Informational sessions were held, where experts explained the science behind the vaccines, their efficacy, and their role in reducing the transmission of the virus. Additionally, the campaign aimed to dispel any myths or rumours surrounding the vaccines, ensuring that people had accurate and reliable information.

Dr. N B Ghiware, in his address, emphasized the significance of vaccination in curbing the spread of the disease. He highlighted the vaccines' role in protecting individuals from severe illness, hospitalization, and even death caused by the Covid-19 virus. By getting vaccinated, he stressed, not only do individuals safeguard themselves, but they also contribute to the collective effort of building herd immunity and protecting the community at large.

The campaign's impact was significant, as it not only targeted the college community but also reached out to the general public. By involving the wider community, the campaign aimed to dispel vaccine hesitancy and encourage a higher vaccination rate within the region. This inclusive approach fostered a sense of responsibility and unity in the fight against the pandemic.

This activity was organised in collaboration with NSS Team and All Departments of College, total 15 volunteers participated in this event.

DETAILED REPORT OF TREE PLANTATION ON 17/09/2021

Tree plantation was carried out in the college campus of Nanded Pharmacy College on 17th September 2021, which coincided with Marathwada Liberation Day. The event was marked by the presence of the college's Principal, Dr. N. B. Ghiware, who performed the flag hoisting ceremony. The entire teaching and non-teaching staff, along with the B. Pharm and M. Pharm students, participated in the event and exhibited their patriotic fervor by singing the National Anthem with great enthusiasm.

The purpose of the tree plantation drive was to emphasize the significance of environmental conservation and to promote a greener and healthier campus. The college administration, under the leadership of Dr. Ghiware, recognized the importance of preserving the environment and took this initiative to raise awareness among the students and staff.

The event commenced with the flag hoisting ceremony conducted by Dr. Ghiware. The unfurling of the national flag symbolized unity, patriotism, and the commitment to protect and serve the nation. The entire college community gathered around, showing their respect and admiration for the country.

Following the flag hoisting, the participants assembled near the designated plantation area. With a sense of unity and shared responsibility, everyone actively participated in the tree plantation drive. The teaching staff, non-teaching staff, and students joined hands, displaying their dedication towards the cause of environmental sustainability.

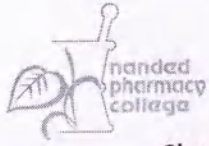

In conclusion, the tree plantation event conducted on Marathwada Liberation Day at Nanded Pharmacy College showcased the dedication and commitment of the college community towards environmental sustainability. The participation of the Principal, teaching staff, non-teaching staff, and students, along with the singing of the National Anthem, added a sense of patriotism and unity to the event. Such initiatives play a significant role in instilling a sense of responsibility and promoting a greener and healthier future for generations to come.

This activity was organised in collaboration with NSS Team and All Departments of College, total 14 volunteers participated in this event.

DETAILED REPORT OF CAREER KATTA DISCUSSION ON 18/09/2021

On September 18th, 2021, Nanded Pharmacy College organized a Career Katta, an initiative by Maharashtra Information Technology Support Centre, The program witnessed active participation from the entire teaching staff, as well as B.Pharm and M.Pharm students.

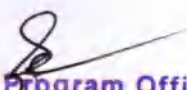

The event began with a series of engaging and informative talks by expert speakers who shared their insights and knowledge about various career opportunities and the future scope. These speakers, with their expertise and experience, guided the students in understanding the potential career paths available to them and shed light on the evolving landscape of future opportunities. Following the informative sessions, a question-answer session was held, allowing the students to interact with the speakers and seek clarification on any doubts or queries they had. This segment provided an invaluable opportunity for students to gain further insights, receive personalized advice, and gather practical tips for shaping their career paths.

The question-answer session facilitated a vibrant exchange of ideas, with students actively participating and expressing their eagerness to learn and explore the diverse possibilities within the field.

The Career Katta Discussion organized by Maharashtra Information Technology Support Centre at Nanded Pharmacy College served as an important platform for students to enhance their understanding of the vast range of career opportunities available to them. The event inspired and motivated the students to explore different paths, set goals, and work towards realizing their professional aspirations.

Nanded Pharmacy College's initiative in organizing such a fruitful event reflects its commitment to providing holistic education and grooming its students for the challenges and opportunities.

This activity was organised in collaboration with NSS Team and All Departments of College, total 23 volunteers participated in this event.

DETAILED REPORT OF ONLINE ENVIRONMENTAL AWARENESS ON NSS DAY ON 24/09/2021

On September 24, 2021, an online meeting was held with Principal Dr. N B Ghiware addressing the participants, which included students and staff members. The primary focus of the meeting was to emphasize the significance of tree plantation and conservation, water conservation, environmental protection, health, individual and social literacy, and related topics. Dr. N B Ghiware delivered a comprehensive and informative session, sharing valuable insights and various ways to address these crucial issues.

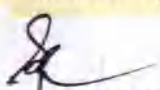

During the meeting, Dr. Ghiware highlighted the importance of tree plantation and conservation. He emphasized that trees play a vital role in maintaining ecological balance and preserving the environment. He discussed the benefits of trees, such as providing oxygen, reducing pollution, supporting wildlife, preventing soil erosion, and contributing to climate regulation. Additionally, Dr. Ghiware explained different methods of tree plantation, such as afforestation and reforestation, and encouraged everyone to actively participate in such initiatives.

Water conservation was another significant topic addressed in the meeting. Dr. Ghiware shed light on the global water crisis and the urgent need to conserve water resources. He discussed practical measures such as rainwater harvesting, efficient irrigation techniques, reducing water usage, and raising awareness about water conservation practices.

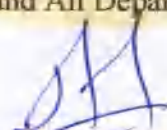

Health was also a key aspect discussed during the meeting. Dr. Ghiware emphasized the connection between a healthy environment and personal well-being. He highlighted the importance of maintaining cleanliness, practicing good hygiene, and adopting a healthy lifestyle to prevent diseases. Furthermore, he encouraged regular physical exercise, balanced nutrition, and the importance of mental health well-being.

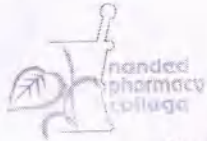

The online session conducted by Principal Dr. N B Ghiware was highly informative and comprehensive, covering a wide range of topics related to tree plantation and conservation, water conservation, environmental protection, health, individual and social literacy.

This activity was organised in collaboration with NSS Team and All Departments of College, total 21 volunteers participated in this event.

DETAILED REPORT OF HEALTH AWARENESS SESSION (COVID-19) ON 25/09/2021

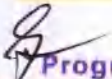

On the occasion of World Pharmacist Day, which was celebrated on September 25th, 2021, an online health awareness session on the COVID-19 pandemic was conducted at Nanded Pharmacy College. The session aimed to educate and inform the college staff members and students about the importance of pharmacists in society during the ongoing pandemic. The event was graced by the presence of Dr. N B Ghiware, the Principal of the college, who delivered a comprehensive talk on the significant role of pharmacists in the healthcare system. Dr. N B Ghiware emphasized the crucial role that pharmacists play in providing essential healthcare services, especially during the COVID-19 crisis. He highlighted their contribution in ensuring the safe and effective use of medications, counselling patients on the appropriate use of drugs, and addressing any concerns or queries related to medications. The principal also stressed the importance of pharmacists in promoting public health initiatives, such as vaccination drives and awareness campaigns.

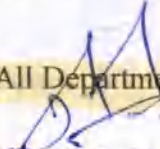

The health awareness session witnessed active participation from all the college staff members and students. They enthusiastically engaged in discussions, asked questions, and shared their experiences related to the pandemic. The session provided a platform for the attendees to enhance their knowledge and understanding of COVID-19, its transmission, prevention strategies, and the role of pharmacists in combating the disease.

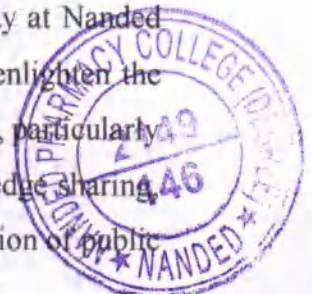

The event was conducted in an online mode, which allowed for wider participation and ensured the safety of everyone involved.

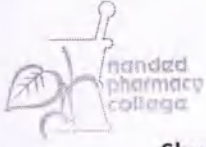

In conclusion, the health awareness session conducted on World Pharmacist Day at Nanded Pharmacy College on September 25th, 2021, served as a valuable platform to enlighten the college staff members and students about the crucial role of pharmacists in society, particularly during the COVID-19 pandemic. The event fostered active participation, knowledge sharing, and a better understanding of the pandemic, ultimately contributing to the promotion of public health and well-being.

This activity was organised in collaboration with NSS Team and All Departments of College, total 25 volunteers participated in this event.

DETAILED REPORT OF CLEANLINESS AND SAFETY AWARENESS VISIT ON 25/09/2021

On September 25th, 2021, a visit was organized to the Government Women's Hospital in Shyam Nagar, Nanded. The visit was led by Dr. M H Ghante and included NSS (National Service Scheme) volunteers and other students. The purpose of the visit was to create awareness about cleanliness and safety precautions among the hospital staff and patients.

During the visit, the students and Dr. M H Ghante emphasized the importance of cleanliness and discussed various safety precautions that should be followed in a healthcare setting. They highlighted the significance of maintaining a clean and green campus, and how it directly impacts human health.

The students and Dr. M H Ghante engaged in interactive sessions with the hospital staff and patients, educating them about the benefits of a clean and green environment. They explained how cleanliness and proper waste management contribute to preventing the spread of infections and maintaining a healthy atmosphere within the hospital premises.

One of the activities carried out during the visit was the collection of plastic waste from the hospital campus. The students took the initiative to gather plastic waste and dispose of it appropriately. This action aimed to raise awareness about the harmful effects of plastic pollution on the environment and encourage sustainable waste management practices.

Overall, the visit to the Government Women's Hospital in Shyam Nagar, Nanded, was a successful initiative to promote cleanliness, safety, and environmental consciousness. By imparting knowledge about cleanliness and safety precautions, as well as collecting plastic waste, the students and Dr. M H Ghante played an active role in fostering a cleaner and healthier environment within the hospital and its surrounding areas.

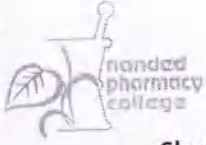

This activity was organised in collaboration with NSS Team and All Departments of College, total 11 volunteers participated in this event.

DETAILED REPORT OF AIDS AWARENESS ON 01/12/2021

World AIDS Day is observed annually on December 1st worldwide to raise awareness about HIV, combat stigma and discrimination, and show support for people living with HIV.

By organizing such events, colleges create opportunities to dispel myths and misconceptions surrounding HIV/AIDS. They provide a platform for students and faculty members to learn about the virus, its transmission, prevention methods, and the importance of regular testing. These initiatives help promote responsible behavior and reduce the spread of HIV.

In addition to education, promoting social and cultural acceptance of people living with HIV is crucial. Many individuals affected by HIV/AIDS face stigma and discrimination, which can significantly impact their quality of life and access to healthcare. By fostering an inclusive and supportive environment, colleges contribute to the overall well-being of people living with HIV.

Such events not only benefit the college community but also have a broader impact on society. Increased awareness and understanding of HIV/AIDS contribute to the overall efforts to combat the global epidemic. They help break down barriers, encourage open dialogue, and promote empathy and support for individuals living with HIV.

Overall, the college's involvement in organizing World AIDS Day events has played a vital role in educating and empowering students and faculty members, reducing stigma, and creating a supportive environment for people living with HIV. These efforts contribute to a more informed and compassionate society in the fight against HIV/AIDS.

This activity was organised in collaboration with NSS Team and All Departments of College, total 18 volunteers participated in this event.

DETAILED REPORT OF PLASTIC-FREE ENVIRONMENT ON 26/01/2022

The session on a plastic-free environment, conducted by the Members of Nanded Ploggers Association, must have been informative and inspiring. It's excellent to know that many students and teachers expressed interest in joining the association. This indicates a shared commitment to making a positive impact on the environment.

Following the session, the college campus underwent a clean-up drive, with the collection and appropriate disposal of plastic and other waste. This initiative demonstrates a practical approach towards maintaining cleanliness and sustainability within the campus.

By organizing such an event and actively involving the college community, the principal, teaching staff, non-teaching staff, and students have taken important steps towards creating a plastic-free environment. Their collective efforts will contribute to raising awareness about the harmful effects of plastic and encourage responsible waste management practices.

This event serves as a model for other institutions and communities to follow, inspiring them to take similar initiatives in promoting environmental consciousness and adopting sustainable practices.

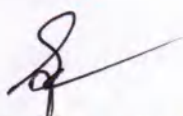

This activity was organised in collaboration with Nanded Ploggers Association, NSS Team and All Departments of College, total 18 volunteers participated in this event.

DETAILED REPORT OF PERSONALITY DEVELOPMENT PROGRAM ON 08/02/2022

That sounds like an informative and beneficial event for the students at Nanded Pharmacy College. The Personality Development Program held on 7th February 2022 aimed to enhance vocabulary, spoken skills, and overall development among the students. The speaker, Mr. Shafi, emphasized the significance of application-based knowledge and skill development, which is crucial in today's competitive world.

The question-answer session provided an opportunity for the students to clarify any doubts or seek further insights on the topic. It likely encouraged active participation and engagement, allowing students to interact with the speaker and gain a deeper understanding of the concepts discussed during the program.

Such initiatives are instrumental in equipping students with the necessary skills and confidence to excel in their academic and professional endeavors. It's commendable that Nanded Pharmacy College organized this program to foster the holistic development of its students.

This activity was organised in collaboration with NSS Team and All Departments of College, total 27 volunteers participated in this event.

DETAILED REPORT OF CHHATRAPATI SHIVAJI MAHARAJ JAYANTI ON 19/02/2022

It was the great celebration to honor the great leader, Shri Chhatrapati Shivaji Maharaj. Commemorating his contributions to Indian history is a fitting way to recognize his impact and inspire others with his legacy. Floral tributes and speeches are meaningful gestures to express respect and admiration for his life and achievements.

Chhatrapati Shivaji Maharaj was a renowned warrior king and the founder of the Maratha Empire in the 17th century. He is celebrated for his exceptional leadership skills, military strategies, and his commitment to justice and welfare for his people. By highlighting his principles of governance, patriotism, and vision for a just and prosperous society, the students were able to educate and inspire their fellow classmates about the ideals that Chhatrapati Shivaji Maharaj upheld.

His leadership principles, such as inclusivity, meritocracy, and respect for all religions, made him a revered figure in Indian history. Through his military campaigns and administrative reforms, he established a strong and prosperous kingdom. His legacy continues to inspire people to this day.

By organizing this vibrant celebration and paying homage to Chhatrapati Shivaji Maharaj, Nanded Pharmacy College demonstrated their appreciation for his contributions and ensured that his memory and teachings are passed down to future generations. Such events help in fostering a sense of pride, cultural awareness, and respect for historical figures who have shaped the course of a nation's history.

This activity was organised in collaboration with NSS Team and All Departments of College, total 29 volunteers participated in this event.

DETAILED REPORT OF NATURAL COLOUR MANUFACTURING CAMP ON 15/03/2022

On 15th March 2022, Dr. M H Ghante from the college organized a camp at Bawalgaon, Dist. Nanded for manufacturing natural colors for Holi celebrations. The camp was organized in collaboration with the Gram Vikas Samiti of the village. The primary aim of the event was to promote the use of natural colors and discourage the use of artificial colors, which often have negative effects on health and the environment.

During the camp, students who had previously acquired knowledge about natural colors explained the methods for preparing them. Natural colors are derived from various sources such as flowers, plants, and spices. The students shared their expertise and taught the participants how to extract colors from these natural sources.

The event aimed to raise awareness about the harmful effects of artificial colors and encourage people to embrace nature and natural products. By promoting the use of natural colors, the camp supported the mission of environmental conservation and bio-waste recycling. It emphasized the importance of using sustainable and eco-friendly alternatives, which are not only safe for human health but also help reduce pollution and preserve the environment.

Overall, the camp organized by Dr. M H Ghante and the collaboration with Gram Vikas Samiti served as a platform to educate people about the benefits of using natural colors during Holi celebrations, fostering a sense of responsibility towards the environment and promoting a healthier and more sustainable way of celebrating the festival.

This activity was organised in collaboration with Gram Vikas Samiti, Bawalgaon, Dist. Nanded NSS Team and All Departments of College, total 13 volunteers participated in this event.

DETAILED REPORT OF GENDER DISCRIMINATION ISSUES DISCUSSION ON 08/03/2022

The discussion on gender discrimination on International Women's Day was carried out at Nanded Pharmacy College on March 8, 2022. The discussion on gender discrimination highlights the college's commitment to addressing issues related to gender equality. The fact that all the girl students were present demonstrates their active participation and interest in the program.

It's wonderful to hear that the lady faculties at the college took the initiative to guide the girl students about women empowerment and opportunities available to them in different career sectors. Such guidance can be instrumental in empowering women and encouraging them to pursue their aspirations.

By providing information about various career sectors, the lady faculties have likely helped the girl students gain a broader perspective on their potential choices and the opportunities that lie ahead. This kind of support can play a crucial role in promoting gender equality and creating a more inclusive environment within the college and beyond.

Events like these serve as important reminders of the progress made and the work that still needs to be done to eliminate gender discrimination and ensure equal opportunities for everyone.

This activity was organised in collaboration with NSS Team and All Departments of College, total 14 girls volunteers participated in this event.

Name of Activity:	IMPORTANCE OF SOCIAL JUSTICE AND NEED OF EQUAL OPPORTUNITIES, A SESSION ON DR. BABASAHEB AMBEDKAR JAYANTI
Date & Time of Activity:	14/04/2022, 11:00 am
Co-ordinator:	Mr. S B Dhoot
In coordination with:	NSS Team, All Departments
Description:	Importance of social justice and need of equal opportunities, a session was conducted on Dr. Babasaheb Ambedkar Jayanti at Nanded Pharmacy College on 14th April 2022. The event began with a tribute to this great personality, followed by the recitation of the college prayer. Students shared their views on the relevance of Dr. Ambedkar's teachings in today's society with great enthusiasm. By organizing this event, the college aimed to create a lasting impact and inspire students to uphold the values of justice, equality, and social harmony.

DETAILED REPORT OF IMPORTANCE OF SOCIAL JUSTICE AND NEED OF EQUAL OPPORTUNITIES, A SESSION ON DR. BABASAHEB AMBEDKAR JAYANTI ON 14/04/2022

Importance of social justice and need of equal opportunities, a session was conducted on Dr. Babasaheb Ambedkar Jayanti at Nanded Pharmacy College on 14th April 2022 which was a significant event that aimed to commemorate the life and teachings of Dr. B.R. Ambedkar, a great personality and social reformer in Indian history. The event began with a tribute to Dr. Ambedkar, acknowledging his immense contributions towards social justice, equality, and empowerment.

During the event, students actively participated and shared their views on the relevance of Dr. Ambedkar's teachings in today's society. Their enthusiasm reflected the impact of Dr. Ambedkar's ideals and his ongoing influence on the younger generation. By engaging in discussions about social justice and equal opportunities, the students were able to gain a deeper understanding of these crucial concepts.

The primary objective of organizing this event was to create a lasting impact on the students and inspire them to uphold the values propagated by Dr. Ambedkar. Dr. Ambedkar's teachings emphasize the need for justice, equality, and social harmony in society. By embracing these principles, the students can contribute to building a more inclusive and equitable future.

Through such sessions and events, educational institutions like Nanded Pharmacy College play a vital role in raising awareness about social justice issues and instilling a sense of responsibility in students. By commemorating Dr. Ambedkar's Jayanti, the college demonstrated its commitment to promoting equality, eradicating discrimination, and fostering an environment that provides equal opportunities to all.

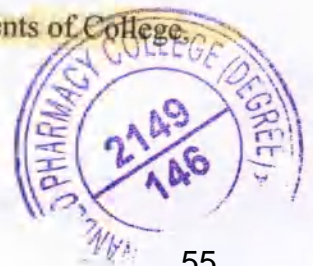

By reflecting on the life and teachings of Dr. Babasaheb Ambedkar, students were encouraged to take active steps towards addressing social inequalities and advocating for equal opportunities. Such initiatives contribute to the overall development of students and prepare them to become socially conscious individuals who strive for a more just and equitable society.

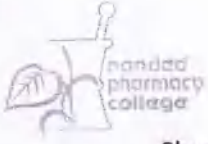

This activity was organised in collaboration with NSS Team and All Departments of College. total 23 volunteers participated in this event.

Summary of the Activity

Name of Activity:	START UP CAMP & TREE PLANTATION
Date & Time of Activity:	26/04/2022 10:00 am
Co-ordinator:	Dr. M H Ghante
In collaboration with:	Entrepreneurs from Nanded, NSS Team, All Departments
Description:	On 26 th April 2022, Nanded Pharmacy College organized a start-up camp for its students. The event aimed to promote entrepreneurship and innovation among the students and provide them with a platform to showcase their ideas and projects. The start-up camp featured a panel of well-known personalities, i.e., Dr. D P Sawant, Dr. R K Shendarkar, Dr. S G Gattani, Mr. Ashish Kabra. The experts discussed the latest trends and technologies in the industry, giving the students a glimpse into the startup ecosystem. Later, Tree Plantation was carried out in the College Campus.

DETAILED REPORT OF START UP CAMP & TREE PLANTATION ON 26/04/2022

The start-up camp organized by Nanded Pharmacy College on 26th April 2022 was a significant event aimed at fostering entrepreneurship and innovation among the students. The primary objective was to provide a platform for students to showcase their ideas and projects while also learning from industry experts.

The event featured a panel of distinguished personalities who shared their insights and knowledge with the students. The panelists included Dr. D P Sawant, Dr. R K Shendarkar, Dr. S G Gattani, and Mr. Ashish Kabra. These experts are likely to be well-known figures in their respective fields and brought valuable expertise to the camp.

During the start-up camp, the panelists discussed the latest trends and technologies in the industry, offering the students a glimpse into the startup ecosystem. This would have provided the attendees with valuable information and inspiration for their own entrepreneurial endeavors. The discussions may have covered topics such as emerging technologies, funding options, business strategies, and success stories from the startup world.

Following the start-up camp, a tree plantation activity was carried out in the college campus. Tree plantation is an important initiative for promoting environmental sustainability and creating a green campus. By engaging in such activities, the college demonstrated its commitment to environmental conservation and provided an opportunity for students to contribute to a greener future.

Overall, the start-up camp organized by Nanded Pharmacy College on 26th April 2022 served as a platform to promote entrepreneurship, innovation, and environmental consciousness among its students. The presence of renowned experts and the tree plantation activity made the event both informative and impactful.

This activity was organised in collaboration with Entrepreneurs from Nanded, NSS Team and All Departments of College, total 29 volunteers participated in this event.

DETAILED REPORT OF ONLINE ENVIRONMENTAL AWARENESS PROGRAM ON 19/01/2021

That's wonderful to hear! The Majhi Vasundhara Campaign and the Earth Pledge taken by the staff members and students of the college demonstrate a strong commitment to environmental conservation and sustainability. It's great to see such initiatives being organized and supported by the Environment & Climate Change Department, Government of Maharashtra.

By actively participating in the campaign and taking the Earth Pledge, the college community has shown their dedication to making their surroundings clean and green. This collective effort will undoubtedly contribute to a healthier and more sustainable environment.

Taking initiatives like this can have a positive impact on raising awareness about environmental issues and encouraging responsible actions. It's crucial for individuals and communities to work together to protect and preserve the Earth for future generations.

I hope that the campaign and the Earth Pledge have inspired continued efforts towards environmental conservation and sustainability in your college and beyond.

This activity was organised in collaboration with Environment & Climate Change Department, Government of Maharashtra, NSS Team and All Departments of College, total 11 volunteers participated in this event.

Date:

DETAILED REPORT OF SEED BALL AND ECO-BRICKS PREPARATION ON 12/06/2021

On June 12, 2021, students from Nanded Pharmacy College, under the guidance of Dr. M H Ghante, visited Sadhana Mahila Mandal in Nanded. The purpose of their visit was to educate and raise awareness among the students about environmental conservation practices. During the visit, the students focused on two important topics: the method of preparation of seed balls using different types of seeds and the process of creating eco-bricks from plastic waste.

The students demonstrated the step-by-step process of making seed balls. They showed the women how to mix clay and compost in the right proportions, ensuring a suitable consistency for shaping the balls. Then, they added various types of seeds to the mixture, which could include native tree seeds, flower seeds, or even vegetable seeds. The women were encouraged to participate actively, getting their hands dirty and shaping the mixture into small balls.

After the seed balls were ready, the students explained the importance of dispersing them strategically in areas where reforestation or greening efforts were needed. They highlighted the benefits of seed balls, such as their ability to protect seeds during dry or unfavorable conditions, their ease of use, and the potential for natural vegetation restoration. By spreading seed balls, the women of Sadhana Mahila Mandal could contribute to the growth of plants and trees, leading to a healthier and more sustainable environment.

In addition to seed balls, the students also shared information about creating eco-bricks from plastic waste. Eco-bricks are a sustainable solution to address plastic pollution and reduce the environmental impact of non-biodegradable plastic materials. The process involves tightly packing clean and dry plastic waste into plastic bottles until they become dense, solid bricks.

To conclude, under the guidance of Dr. M H Ghante, the students of Nanded Pharmacy College visited Sadhana Mahila Mandal on June 12, 2021. They actively engaged with the women and shared knowledge on the preparation of seed balls using different types of seeds and the process of creating eco-bricks from plastic waste.

This activity was organised in collaboration with Sadhana Mahila Mandal, Nanded NSS Team and All Departments of College, total 10 volunteers participated in this event.

DETAILED REPORT OF CLEAN CAMPUS DAY ON 15/07/2021

Clean Campus Day was successfully organized at Nanded Pharmacy College on July 15, 2021, with the active participation of both B. Pharm and M. Pharm students. The objective of this event was to clean the entire college campus and promote a clean and hygienic environment.

During the event, the students were divided into groups and assigned different areas of the campus to clean. They diligently worked together to pick up litter, sweep the pathways, and remove any debris or waste materials. The students showed great teamwork and dedication to ensuring that every corner of the campus was thoroughly cleaned.

A significant aspect of the cleaning operation was the proper segregation and disposal of waste. The students were educated about the importance of segregating waste into different categories, such as plastic waste, degradable waste, and non-degradable waste. Separate bins were provided for each type of waste, making it convenient for the students to dispose of them correctly.

The plastic waste, including bottles, wrappers, and bags, was collected separately and sent for recycling. The college collaborated with local recycling agencies to ensure that the plastic waste was appropriately processed and recycled, reducing its environmental impact.

The Clean Campus Day at Nanded Pharmacy College served as a significant step towards promoting cleanliness and environmental consciousness among the students. It not only resulted in a cleaner and healthier campus environment but also instilled a sense of responsibility and sustainability in the minds of the participating students.

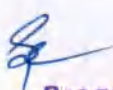

This activity was organised in collaboration with NSS Team and All Departments of College, total 11 volunteers participated in this event.

DETAILED REPORT OF SWACHH BHARAT ABHIYAN AT SRTM UNIVERSITY, NANDED ON 19/07/2021

On July 19, 2021, as part of the Swachh Bharat Abhiyan Mission, a group of college students took part in a campus cleaning activity at the SRTM University campus. The objective of the activity was to promote cleanliness and hygiene on the campus grounds.

During the cleaning activity, the students focused on different aspects to ensure a thorough cleaning process. One of the tasks was to collect excess grasses separately for proper disposal. This step aimed to maintain the aesthetics of the campus and prevent the accumulation of waste. By collecting the excess grass separately, the students ensured that it would be disposed of appropriately, possibly through composting or recycling methods.

Another important aspect of the cleaning activity was the removal of stones and waste materials from the soil. The students diligently worked to make the soil free of any obstructions, ensuring a clean and conducive environment for plants and vegetation. By removing stones and waste materials, the students aimed to promote healthy growth and maintenance of the campus landscape.

The initiative taken by the college students under the Swachh Bharat Abhiyan Mission not only contributed to the cleanliness of the SRTM University campus but also served as an inspiration for others to take responsibility for maintaining a clean and hygienic environment. By actively participating in such activities, the students demonstrated their commitment to the mission's objectives and their dedication to creating a cleaner and healthier community.

This activity was organised in collaboration with NSS Team and All Departments of College, total 17 volunteers participated in this event.

DETAILED REPORT OF A VISIT TO BIOGAS PLANT & PLASTIC COLLECTION ACTIVITY ON 16/08/2019

On August 16th, 2019, NSS volunteers from Nanded Pharmacy College embarked on an educational excursion to the Ratneshwari Temple, located near Nanded. This trip served as an opportunity for the students to not only explore the cultural and historical significance of the temple but also actively contribute to environmental conservation.

During their visit, the students engaged in a meaningful activity by collecting plastic waste and other forms of litter from the temple premises and its surroundings. This initiative aimed to raise awareness about the damaging effects of improper waste disposal and the importance of keeping our natural surroundings clean and free from pollution.

As the excursion continued, the volunteers were taken to the Biogas Plants situated in Sonkhed and Vishnupuri. These visits provided them with valuable insights into the concept of biogas production and the design principles behind biogas plants. They learned about the utilization of bio-waste, such as organic matter and agricultural residues, for the generation of biogas – a renewable energy source.

The students gained a deeper understanding of the significance of biogas as an alternative to conventional fossil fuels. They witnessed firsthand the potential of bio-waste as a valuable resource that can be harnessed to generate clean and sustainable energy. This knowledge not only broadened their horizons but also instilled a sense of responsibility towards exploring and implementing eco-friendly solutions in their future endeavors.

This activity was organised in collaboration with NSS Team and All Departments of College, total 15 volunteers participated in this event.

DETAILED REPORT OF AIDS AWARENESS SESSION ON PHARMACIST DAY ON 25/09/2019

AIDS awareness session was conducted at Nanded Pharmacy College on World Pharmacist Day, which took place on September 25th, 2019. The session was led by Ms. M M Muley, who provided a comprehensive explanation about AIDS and the HIV virus. The event was attended by various participants, including the NSS team, students, and both teaching and non-teaching staff members of the college.

During the session, Ms. M M Muley discussed the fundamental aspects of AIDS and its underlying cause, the HIV virus. She emphasized the importance of understanding the modes of transmission and preventive measures to combat the spread of the disease. The session aimed to raise awareness among the attendees and equip them with knowledge to promote a healthy and responsible lifestyle.

The presence of the NSS team, students, and faculty members highlighted the significance of the event. It demonstrated the collective commitment of the college community to address public health issues and contribute to the overall well-being of society. By organizing such awareness sessions, Nanded Pharmacy College exemplified its dedication to educating its students and fostering a sense of social responsibility.

This activity was organised in collaboration with NSS Team and All Departments of College, total 26 volunteers participated in this event.

DETAILED REPORT OF MODEL COMPETITION AND HEALTH AWARENESS SESSION ON 25/09/2019

The Model Competition & Health Awareness session activity was organized at Nanded Pharmacy College on September 25, 2019. This event provided an opportunity for both B. Pharm and M. Pharm students to showcase their skills and knowledge in various subjects. It's great to hear that the students participated with full enthusiasm.

The students' preparation of various models from different subjects and the creation of charts on Do's and Don'ts for the management of lifestyle diseases shows their dedication and interest in promoting health awareness. These activities not only allowed the students to showcase their creativity but also provided valuable information to the audience.

The presence of a Panel of Teachers who observed and evaluated all the models and charts must have added to the overall learning experience. Their feedback and evaluation would have provided valuable insights to the students and helped them further improve their skills.

Overall, the event seems to have achieved its goals of promoting health awareness and providing a platform for students to demonstrate their knowledge and creativity. It would have been an informative and creative experience for the students, enhancing their understanding of various subjects and the importance of managing lifestyle diseases.

Such events play a crucial role in the overall development of students, allowing them to apply their theoretical knowledge in a practical and creative manner. It also fosters a spirit of healthy competition and encourages students to engage actively in extracurricular activities related to their field of study.

In conclusion, the Model Competition & Health Awareness session at Nanded Pharmacy College was a success and that it inspired the students to continue their pursuit of knowledge and contribute to the field of healthcare in the future.

This activity was organised in collaboration with NSS Team and All Departments of College, total 18 students participated in this event.

DETAILED REPORT OF SWACHH BHARAT ABHIYAN ON 01/11/2019

On November 1, 2019, the Swachh Bharat Abhiyan Campaign was organized by Nanded Pharmacy College in Pasadgaon, a small village near Nanded. The campaign aimed to promote cleanliness and hygiene in the village, and the efforts were led by the college's principal, Dr. N B Ghiware.

The campaign received active participation from the college staff, National Service Scheme (NSS) volunteers, and students. They joined forces to conduct a Clean Campus activity in the village, where they engaged in various cleanliness initiatives. This may have involved cleaning public areas, organizing awareness programs on waste management, and encouraging the villagers to maintain cleanliness in their surroundings.

Simultaneously, on the same day, all the students and staff of Nanded Pharmacy College also attended a Rain Water Harvesting Workshop. The workshop was a collaborative effort between the Nanded Waghala Municipal Corporation and the Tree Plantation & Conservation Group, Nanded. Its purpose was to educate and raise awareness about the importance of rainwater harvesting.

Rainwater harvesting is a sustainable method of collecting and storing rainwater for future use. It helps to conserve water, reduce the strain on existing water resources, and replenish groundwater levels. The workshop would have provided valuable information about various techniques and systems used in rainwater harvesting, as well as practical demonstrations and hands-on training.

This activity was organised in collaboration with Municipal Corporation, Tree Plantation & Conservation Group, Nanded, NSS Team and All Departments of College, total 28 volunteers participated in this event.

DETAILED REPORT OF GENDER EQUALITY SESSION ON 26/11/2019

On November 26, 2019, a gender equality session was conducted at Nanded Pharmacy College on the occasion of Constitution Day. The session aimed to promote awareness about gender equality and reinforce the principles enshrined in the Indian Constitution. The event witnessed active participation from all members of the college community, including teaching staff, non-teaching staff, and students from both B. Pharm and M. Pharm programs.

During the session, an important highlight was the administration of the Oath of Indian Constitution to all attendees. This oath served as a reminder of the fundamental rights and principles outlined in the Indian Constitution, which emphasize equality, justice, and non-discrimination. Furthermore, everyone present took an additional oath, pledging not to discriminate against anyone based on factors such as gender, caste, religion, race, or any other form of social categorization.

Following the oath-taking ceremony, Dr. N. B. Ghiware, the Principal of Nanded Pharmacy College, delivered a speech that focused on the Indian Constitution and the responsibilities of individuals towards maintaining social harmony and well-being. In his elaborate discourse, Dr. Ghiware emphasized the significance of upholding the principles of the Constitution in our daily lives and the role each individual plays in fostering a socially inclusive and equitable society.

Dr. Ghiware stressed the importance of gender equality and the need to eradicate gender-based discrimination. He highlighted that it is not only the duty of the government and legal institutions to ensure equality, but it is also the responsibility of every individual to challenge and confront discriminatory practices. He further discussed the various provisions in the Indian Constitution that safeguard the rights and welfare of all citizens, regardless of their gender.

Additionally, Dr. Ghiware emphasized the role of education in promoting gender equality and urged the students and staff to actively contribute towards creating a gender-sensitive and respectful environment within the college premises and society at large. He encouraged open dialogue, the exchange of ideas, and the pursuit of knowledge to challenge existing prejudices and stereotypes.

The session at Nanded Pharmacy College on Constitution Day provided a platform for the entire college community to reaffirm their commitment to gender equality and the principles enshrined in the Indian Constitution. It aimed to foster a sense of responsibility and awareness among all attendees, emphasizing the importance of actively promoting social health by creating a society that is free from discrimination and bias.

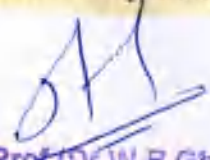

This activity was organised in collaboration with NSS Team and All Departments of College, total 18 volunteers participated in this event.

DETAILED REPORT OF TREE PLANTATION DAY ON 27/12/2019

On the 27th of December 2019, a Tree Plantation Drive was organized and celebrated at Nanded Pharmacy College. The event aimed to promote environmental sustainability and create awareness about the importance of trees. The tree plantation took place within the college campus, specifically in the college garden.

During the drive, a variety of plants were planted, including medicinal plants and other species. The selection of medicinal plants aimed to highlight the significance of traditional medicine and the importance of preserving natural resources. These plants have the potential to provide valuable remedies for various ailments and contribute to the field of pharmacy.

The college garden provided an ideal space for the tree plantation, as it allowed for the creation of a green and serene environment within the campus. The event was organized in collaboration with NSS Team, faculty members, fostering a sense of community and collective responsibility towards the environment.

The tree plantation drive at Nanded Pharmacy College received positive feedback and active participation from the college community. It not only served as a means to beautify the campus but also emphasized the role of plants in maintaining a healthy ecosystem. Additionally, the event aimed to educate students and raise their awareness about the benefits of trees, such as providing oxygen, reducing pollution, and preventing soil erosion.

This activity was organised in collaboration with NSS Team and All Departments of College, total 15 volunteers participated in this event.

DETAILED REPORT OF HEALTH AWARENESS PROGRAM ON 04/01/2020

A Health Awareness Program was organized at Nanded Pharmacy College on January 4th, 2020. It's important to promote health awareness among students, as they play a crucial role in the future of healthcare. The active participation of all the students indicates their interest and enthusiasm in the event, which is commendable.

Organizing additional activities like an Elocution contest and Rangoli competition is an excellent way to engage students and make the event more interactive. The students delivering speeches would have provided valuable insights on the role of pharmacists in spreading health awareness in society. This helps in educating others about the important responsibilities and contributions of pharmacists in healthcare.

The Rangoli competition with informative and colourful designs would have been visually appealing and served as a creative medium to showcase the significance of pharmacist's role in health awareness. Such competitions not only encourage artistic expression but also provide a platform for students to creatively communicate important messages.

Overall, this Health Awareness Program at Nanded Pharmacy College sounds like a well-rounded and engaging event that effectively highlighted the role of pharmacists in promoting health awareness. It's encouraging to see educational institutions taking initiatives to foster awareness and involvement in healthcare-related topics.

This activity was organised in collaboration with NSS Team and All Departments of College, total 35 volunteers participated in this event.

DETAILED REPORT OF SEVEN DAYS NSS CAMP AT SRTM UNIVERSITY NANDED FROM 25/01/2020 TO 31/01/2020

The SRTM University in Nanded organized a week-long NSS (National Service Scheme) camp, which proved to be an enriching and transformative experience for the student volunteers. The camp consisted of a variety of activities aimed at fostering personal growth, community service, and intellectual engagement.

One of the key activities during the camp was Shramdaan, which involved the students actively participating in the cleaning and beautification of the administrative building within the SRTM University Campus. This initiative not only helped in maintaining a clean and aesthetically pleasing environment but also instilled a sense of responsibility and pride in the volunteers.

Another significant aspect of the camp was the tribute paid to national heroes. Through various sessions and discussions, the students had the opportunity to learn about and commemorate the contributions of eminent personalities who played a pivotal role in shaping the nation's history. This exercise aimed to foster a deep sense of patriotism and appreciation for the sacrifices made by these national heroes.

The camp also featured brainstorming sessions conducted by social personalities and intellectuals, which provided a platform for students to exchange ideas, share perspectives, and develop their critical thinking abilities. These sessions not only broadened their horizons but also encouraged them to actively engage in societal issues and become agents of change.

The guidance and mentorship provided by the honorable Vice-chancellor of SRTM University played a crucial role in shaping the overall experience of the NSS camp. The Vice-chancellor's valuable insights and advice served as a source of inspiration for the student volunteers, motivating them to actively participate and make the most of the camp's activities.

As a result of their involvement in the camp, the student volunteers reported significant personal growth and transformation. They highlighted the positive impact the camp had on their personalities, such as improved confidence, enhanced leadership skills, and a greater sense of social responsibility. This feedback serves as a testament to the effectiveness of the NSS camp in nurturing the holistic development of the participating students.

This activity was organised in collaboration with SRTM University and NSS Team of college, total 25 volunteers participated in this event.

DETAILED REPORT OF COMPOST FORMATION FROM BIODEGRABLE & FOOD WASTE ON 26/01/2020

Principal Dr. N B Ghiware took the initiative to perform the flag hoisting, symbolizing a moment of national pride. The teaching staff, non-teaching staff, and students joined in with tremendous enthusiasm, raising their voices in unison as they sang the National Anthem.

Following the flag hoisting ceremony, NSS volunteers organized a session to demonstrate the process of compost formation from biodegradable waste. The volunteers had diligently collected food and plant waste accumulated over the preceding days. They showcased the step-by-step procedure, enlightening their fellow students about the value of recycling and reusing organic materials.

The activity generated a considerable amount of interest among both students and teachers, reflecting a genuine concern for the environment and a desire to learn about sustainable practices. The engagement and curiosity displayed by the participants demonstrated a growing awareness of the need for responsible waste management and its positive impact on the planet. In a further display of their commitment, students took charge of collecting the plant waste and ensuring its appropriate disposal. This hands-on involvement allowed them to reinforce the principles they had learned, emphasizing the importance of preserving the environment and adopting eco-friendly habits.

The event as a whole exemplified the dedication of students towards instilling environmental consciousness within its student body. By organizing such activities, NSS volunteers not only educate its students but also empower them to become responsible stewards of the environment.

This activity was organised in collaboration with NSS Team and All Departments of College, total 17 volunteers participated in this event.

DETAILED REPORT OF NSS CAMP AT LAKAHANDUR, Dist NAGPUR FROM 01/02/2020 to 08/02/2020

Mr. Darshan Waghmare and Mr. Shoaib Shadulla Shaikh, NSS volunteers from our college, were selected to participate in the State level NSS Camp organized by the State NSS Unit. Their outstanding performance in the University level camp held earlier played a role in their selection. The camp took place from 01/02/2020 to 08/02/2020 in Lakhandur, District Nagpur. During the camp, both students actively participated in various activities, including Shramdaan (voluntary manual labor). Their performance was commendable, and they displayed increased confidence and energy throughout the camp. This experience likely provided them with valuable skills, knowledge, and personal growth opportunities.

Participating in such camps not only allows students to contribute to society through community service but also helps in fostering teamwork, leadership qualities, and overall development. It's wonderful that Mr. Darshan Waghmare and Mr. Shoaib Shadulla Shaikh made the most of this opportunity and performed well in the State level NSS Camp.

This activity was organised in collaboration with NSS State Level Unit total 2 volunteers participated in this event.

DETAILED REPORT OF SWACHH BHARAT ABHIYAN ON 08/08/2018

On 8th August 2018, an event took place at Nanded Pharmacy College as the institution joined in the nationwide celebration of Swachh Bharat Abhiyan. The occasion saw the enthusiastic participation of all teaching staff, non-teaching staff, and students, making it a truly remarkable event.

The program commenced with an inspiring speech delivered by Principal, Dr. N B Ghiware. With an unwavering commitment to cleanliness, he motivated the students to uphold the value of cleanliness not only within the college premises but also in their respective residential areas. Dr. Ghiware emphasized the importance of maintaining a hygienic and pollution-free environment, as it directly impacts the health and well-being of individuals.

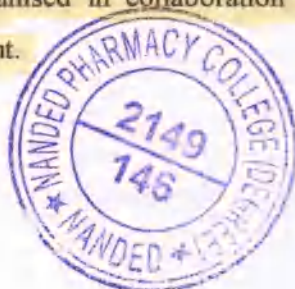

Following the insightful address, the participants embarked on a Swachh Bharat Abhiyan Rally, which led them to the neighbouring locality of Kaleshwar Temple. In line with the objectives of the campaign, the students actively engaged in cleaning the area, showcasing their dedication and sense of responsibility towards the cause.

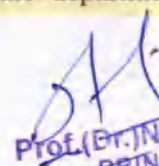

The students diligently collected plastic waste and biodegradable waste separately, recognizing the significance of proper waste management. This eco-conscious approach not only showcased their commitment to a cleaner environment but also reflected their understanding of sustainable practices.

The event not only fostered a sense of unity and shared responsibility among the participants but also spread awareness about the importance of cleanliness and its positive impact on society.

In conclusion, the Swachh Bharat Abhiyan celebration at Nanded Pharmacy College on 8th August 2018 was an exceptional event that exemplified the institution's commitment to cleanliness and environmental stewardship. With the guidance of Principal Dr. N B Ghiware, the students actively participated in the program, cleaning the nearby area during the rally and emphasizing the proper segregation of waste. This event served as a powerful reminder of the transformative potential of collective action in creating a cleaner and healthier future for all.

This activity was organised in collaboration with all the departments, total 20 students participated in this event.

DETAILED REPORT OF ENVIRONMENT AWARENESS ON 15/08/2018

After the flag hosting on Independence Day, an environment awareness campaign took place in the college campus. The event was attended by teaching and non-teaching staff as well as students, all of whom actively participated in the activities. The primary objective of the campaign was to raise awareness about the environment and promote cleanliness within the campus.

The initiative aimed to instill a sense of responsibility and care for the environment among the college community. It sought to highlight the importance of maintaining a clean and healthy environment not just for the present generation but also for the future. The event served as a platform to educate and engage participants in sustainable practices that can be implemented in their daily lives.

The activities conducted during the campaign focused on various aspects of environmental conservation.

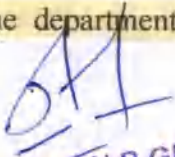

Following the awareness sessions, all participants actively participated in a cleanliness drive across the campus. Together, they cleaned the surroundings, including classrooms, corridors, and common areas. This hands-on experience allowed individuals to witness the immediate impact of their efforts and further reinforced the importance of cleanliness and hygiene.

By involving teaching and non-teaching staff along with students in these activities, the campaign aimed to create a collective sense of responsibility towards the environment. It encouraged everyone to take ownership of their surroundings and actively contribute to maintaining a sustainable and clean campus.

In conclusion, the environment awareness campaign held after the flag hosting on Independence Day was a collaborative effort involving teaching and non-teaching staff as well as students. The campaign sought to raise awareness about environmental issues and promote cleanliness in the campus. Through workshops, presentations, and a hands-on cleanliness drive, the participants learned about sustainable practices and actively contributed to creating a cleaner and greener environment.

This activity was organised in collaboration with all the departments, total 22 students participated in this event.

DETAILED REPORT OF HEALTH AWARENESS & TREE PLANTATION ON 25/09/2018

On September 25th, 2018, a remarkable event took place at Nanded Pharmacy College in celebration of World Pharmacist Day. The occasion was marked by the presence of members from the Pharmacist Association in Nanded, who visited the college. The event focused on two significant aspects: **health awareness and tree plantation.**

The day commenced with a health awareness discussion, where expert speakers shared valuable insights and knowledge with the attendees. The discussions revolved around the importance of health awareness and the maintenance of a healthy lifestyle. The speakers emphasized the role of pharmacists in promoting health awareness and providing essential information about various health-related topics.

During the event, the speakers shed light on several crucial aspects of health, such as the significance of regular exercise, balanced nutrition, and proper medication adherence. They also highlighted the detrimental effects of unhealthy habits such as smoking, excessive alcohol consumption, and a sedentary lifestyle. By offering practical advice and guidance, the speakers aimed to empower the audience to take charge of their health and make informed choices.

In addition to the health awareness discussions, a tree plantation drive was organized within the college campus. This initiative aimed to promote environmental sustainability and raise awareness about the importance of trees for a healthy ecosystem. Students, faculty members, and the visiting members of the Pharmacist Association actively participated in the tree plantation activity.

The event provided an opportunity for the participants to not only gain knowledge about health-related topics but also contribute to a greener environment. By planting trees, the attendees demonstrated their commitment to environmental conservation and their understanding of the interconnectedness between human health and a thriving ecosystem.

This activity was organised in collaboration with Pharmacist Association, Nanded and All Departments of College, total 21 students participated in this event.

DETAILED REPORT OF VOTING AWARENESS CAMPAIGN ON 25/01/2019

On January 25th, 2019, an impactful voting awareness campaign took place at Nanded Pharmacy College, aimed at promoting the significance of active participation in elections and strengthening democracy. This campaign successfully engaged the entire college community, including the teaching staff, non-teaching staff, Bachelor of Pharmacy (B. Pharm) students, and Master of Pharmacy (M. Pharm) students.

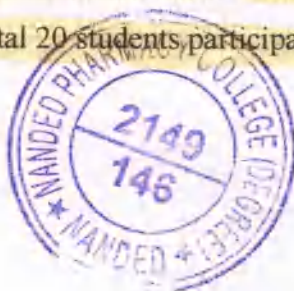

The primary objective of the campaign was to encourage individuals to take the oath to vote in all upcoming elections. By doing so, the participants demonstrated their commitment to fulfilling their democratic responsibility. This initiative sought to instill a sense of civic duty and emphasize the vital role that each individual plays in shaping the future of their nation through the power of voting.

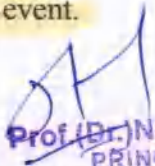

The campaign comprised various activities and events designed to create awareness and generate enthusiasm among the participants. These included informative sessions, interactive discussions. The teaching staff and experts in the field provided valuable insights on the importance of voting and its impact on the democratic process. They shed light on the rights and responsibilities of citizens in a democratic society, highlighting how voting empowers individuals to actively contribute to decision-making processes.

The non-teaching staff members also played a crucial role in organizing the campaign, assisting with logistical arrangements and spreading the word within the college community. Their involvement further demonstrated the collective commitment to promoting democratic values within the college.

The highlight of the campaign was the collective oath-taking ceremony. All the participants, including the teaching staff, non-teaching staff, B. Pharm, and M. Pharm students, solemnly pledged to exercise their voting rights in all upcoming elections. This act symbolized their commitment to democracy and their determination to contribute to the nation's progress through active participation in the electoral process.

This activity was organised in collaboration with Municipal Corporation, Nanded and All Departments of College, total 20 students participated in this event.

DETAILED REPORT OF CLEAN CAMPUS ACTIVITY ON 26/01/2019

After the flag hoisting ceremony, an important initiative called the Clean Campus Activity was planned and executed at Nanded Pharmacy College. Principal, Dr. N B Ghiware, had the honour of hoisting the National Flag, marking the beginning of the event. The atmosphere was filled with patriotic fervor as all the teaching staff, non-teaching staff, B. Pharm, and M. Pharm students came together and sang the National Anthem with immense enthusiasm, showcasing their love and respect for the country.

Following the flag hoisting and the rendition of the National Anthem, the focus shifted to the Clean Campus Activity. This activity aimed to promote cleanliness within the college premises and foster a sense of responsibility among the students and staff. Recognizing the importance of maintaining a clean and hygienic environment, all the participants actively engaged in the activity, demonstrating their commitment to cleanliness.

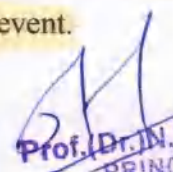

With unity and collective effort, the students and staff diligently carried out various cleaning tasks across the college campus. They worked together to clean classrooms, corridors, common areas, and outdoor spaces. Garbage and litter were picked up, and surfaces were thoroughly cleaned. The activity not only enhanced the visual appeal of the college but also created a healthier and more conducive learning environment for everyone.

The active participation of both students and staff was instrumental in making the Clean Campus Activity a success. Their commitment, dedication, and teamwork were evident throughout the process, showcasing their shared responsibility in maintaining cleanliness within the college premises.

In conclusion, the active participation of all the teaching staff, non-teaching staff, B. Pharm, and M. Pharm students showcased their commitment to cleanliness and their dedication to maintaining a clean and healthy campus environment. Such initiatives contribute to the overall development and well-being of the college community, fostering a sense of responsibility and pride in their surroundings.

This activity was organised in collaboration with Proposed NSS Team of College and All Departments of College, total 19 students participated in this event.

DETAILED REPORT OF NO PLASTIC CAMPAIGN ON 25/05/2019

On May 25th, 2019, our college organized the No Plastic Campaign, a significant event aimed at raising awareness about the harmful effects of plastic and promoting the adoption of sustainable alternatives in our daily lives. The campaign witnessed a remarkable turnout, with a large number of students and NSS volunteers enthusiastically participating and actively contributing to the cause.

During the campaign, NSS volunteers proudly held No Plastic Banners, displaying powerful slogans advocating for the reduction and elimination of plastic usage in our day-to-day activities.

To further strengthen the campaign, our college collaborated with the Members of Nanded Ploggers, a dedicated group of individuals committed to environmental preservation. Together, we formed a formidable team that aimed to address the plastic pollution issue and create a green and clean campus.

As part of the campaign, students and Ploggers undertook the task of collecting plastic materials from the college surroundings. Armed with gloves and bags, they scoured the campus, meticulously picking up plastic waste that had been irresponsibly discarded. Their efforts not only contributed to the immediate cleanliness of our college but also served as a powerful symbol of our collective responsibility towards the environment.

The No Plastic Campaign was not just a one-time event; it marked the beginning of a larger movement within our college community. The campaign successfully instilled a sense of awareness and responsibility among the students, inspiring them to make conscious choices and actively seek alternatives to plastic in their daily lives.

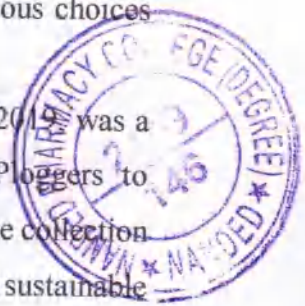

Nanded Pharmacy College
Shyam Nagar, Nanded

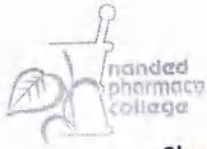

In conclusion, the No Plastic Campaign organized by our college on May 25th, 2019, was a resounding success. It brought together students, faculty, and the Nanded Ploggers to collectively address the issue of plastic pollution. Through slogans, banners, and the collection of plastic waste, we conveyed a strong message about the importance of embracing sustainable practices and working towards a greener future.

This activity was organised in collaboration with Nanded Ploggers, NSS Team of College and All Departments of College, total 18 volunteers participated in this event.

DETAILED REPORT OF SHRAMADAN FOR CAMPUS CLEANING ACTIVITY ON 21/06/2017

On the morning of 21st June 2017, Nanded Pharmacy College organized a Shramdaan activity. This activity involved the participation of all teaching and non-teaching staff members, as well as students, who actively took part in cleaning the campus.

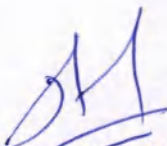

Shramdaan, which translates to "voluntary contribution of labour" is an initiative that emphasizes the importance of individual responsibility towards society. By engaging in such activities, the college community demonstrated their commitment to maintaining a clean and healthy environment for everyone.

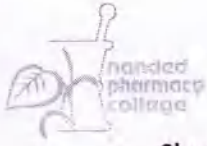

Participating in campus cleaning not only helps in keeping the surroundings tidy but also promotes a sense of ownership and pride among the individuals involved. It serves as a reminder that everyone has a role to play in creating a conducive learning and living environment.

These types of activities have a broader impact on society as well. They instill a sense of social responsibility, encouraging individuals to extend their efforts beyond the campus and become active contributors to their communities. By taking part in Shramdaan, the teaching and non-teaching staff members and students of Nanded Pharmacy College showcased their dedication to being responsible citizens who care for the welfare of others.

This activity was organised in collaboration with all the departments, total 19 students participated in this event.

DETAILED REPORT OF TREE PLANTATION ON 25/09/2017

Pharmacist Association in Nanded visited to college campus. The purpose of their visit was to engage with the students and staff members in various activities aimed at promoting awareness and knowledge about pharmaceutical marketing and its associated challenges. One of the key initiatives organized during their visit was a tree plantation drive, which aimed to contribute to environmental sustainability and enhance the beauty of our college campus.

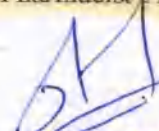

The college staff members and enthusiastic students actively participated in this green initiative. They came together, armed with shovels and saplings, ready to make a positive impact on the environment. The tree plantation drive not only aimed to enhance the aesthetic appeal of the college campus but also aimed to promote sustainability and contribute to a greener future.

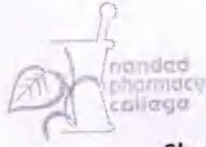

Under the guidance of experts from the Pharmacist Association, the participants learned about the importance of trees in maintaining ecological balance, mitigating climate change, and improving air quality. They were educated on the significance of choosing native tree species that are well-suited to the local climate and ecosystem. By planting a diverse range of trees, the participants aimed to create a harmonious and vibrant environment within the college campus. The tree plantation drive fostered a sense of teamwork, as students and staff members worked hand in hand, digging holes, carefully placing the saplings, and ensuring their proper nourishment. The event not only promoted environmental consciousness but also provided an opportunity for students to develop a deeper connection with nature and appreciate the importance of conservation.

In conclusion, the visit of the Pharmacist Association members to our college was a truly enriching experience. The tree plantation drive, organized in collaboration with the association, demonstrated our commitment to environmental sustainability and served as a reminder of our responsibility to protect and preserve nature. This event was a testament to the positive impact that can be created when various stakeholders come together with a shared vision of a greener and healthier future.

This activity was organised in collaboration with Pharmacist Association, Nanded, total 23 students participated in this event.

DETAILED REPORT OF BLOOD DONATION CAMP ON 25/09/2017

A highly impactful and compassionate event, a Blood Donation Camp, was organized in college. The event aimed to raise awareness about the importance of blood donation and to contribute to the noble cause of saving lives.

The Blood Donation Camp commenced with meticulous planning and coordination by the college administration and the medical staff involved. Prior to the event, extensive preparations were made to ensure a safe and hygienic environment for the donors. Medical professionals were present to guide and assist the participants throughout the process, ensuring their well-being.

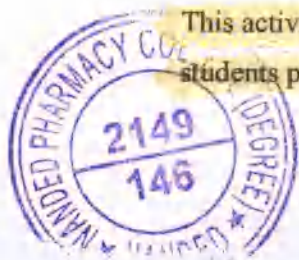

The significance of blood donation and its life-saving impact were emphasized through informative sessions conducted by healthcare experts. The participants were educated about the dire need for blood in emergency situations, medical treatments, and surgeries. They were made aware of the fact that a single blood donation can potentially save multiple lives and make a remarkable difference in someone's recovery and survival.

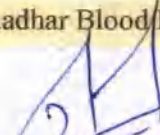

During the event, the college premises were transformed into a well-equipped blood donation centre, adhering to all necessary medical protocols and safety measures. The volunteers from the medical staff meticulously screened the potential donors to ensure their eligibility for blood donation. Once cleared, the donors were ushered into the donation area, where their blood was collected using sterile techniques and state-of-the-art equipment.

Post-donation, the welfare of the donors was of paramount importance. To replenish their energy levels, glucose solutions and biscuits were provided to each donor. This thoughtful gesture aimed to aid their quick recovery and ensure their well-being. The medical staff closely monitored the donors, ensuring their comfort and addressing any concerns they may have had. The success of the Blood Donation Camp can be attributed to the collective efforts of the college administration, medical staff, and the selfless donors.

In conclusion, the Blood Donation Camp organized in our college was a remarkable and life-affirming event.

This activity was organised in collaboration with Jeevan Aadhar Blood Bank, Nanded, total 21 students participated in this event.

DETAILED REPORT OF TREE CONSERVATION ACTIVITY ON 15/08/2017

After the flag hosting ceremony on Independence Day, a tree conservation activity was organized within the college campus. The event garnered participation from both teaching and non-teaching staff, as well as students. The primary objective of this initiative was to promote and preserve the existing trees on the campus through various activities, including watering and other allied tasks.

The participants were made aware of the crucial role trees play in mitigating climate change, providing clean air, and supporting biodiversity.

Following the informative session, the participants were divided into small groups, each assigned to a designated area within the campus. These groups were responsible for watering the trees, ensuring that they received adequate hydration during the dry season. The participants also engaged in removing weeds, pruning overgrown branches, and applying organic fertilizers to promote the overall health and growth of the trees.

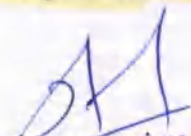

The activity served as an excellent opportunity for collaboration and teamwork among the college community. Students, teaching staff, and non-teaching staff worked hand in hand, sharing knowledge and expertise to ensure the successful conservation of the campus trees. It fostered a sense of environmental consciousness and instilled a deeper appreciation for the importance of trees in sustaining life on Earth.

Furthermore, the tree conservation activity served as a catalyst for ongoing environmental initiatives within the college. It inspired the formation of an eco-club, comprising dedicated individuals who continued to promote sustainability and tree conservation throughout the academic year.

In conclusion, the tree conservation activity conducted on the college campus after the Independence Day flag hosting event was a resounding success. It brought together the college community, including teaching staff, non-teaching staff, and students, to actively participate in preserving the campus trees.

This activity was organised in collaboration with all the departments, total 17 students participated in this event.

DETAILED REPORT OF PERSONALITY DEVELOPMENT PROGRAM ON 17/02/2018

On 17th February 2018, Nanded Pharmacy College organized a transformative event known as the Personality Development Program. The speaker for this activity was Mr. Pravin Muli, Assistant Professor, Indira College of Pharmacy, Vishnupuri, Nanded. This highly anticipated program aimed to enhance the vocabulary, spoken skills, and overall development of the enthusiastic students attending the institution.

The speaker for the program was a renowned expert in the field of personality development. The speaker's primary emphasis was on the significance of body language and language command in professional growth and advancement. They firmly believed that these aspects play a pivotal role in determining one's success and influence in their chosen career path.

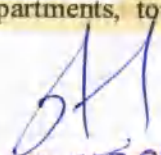

The session commenced with an enlightening discussion on body language, where the speaker shed light on the subtle yet impactful ways in which non-verbal cues can shape perceptions and interactions. The students were made aware of the power of confident posture, expressive gestures, and maintaining eye contact. By mastering these techniques, they could effectively convey their ideas and intentions, thereby leaving a lasting impression on their future employers and colleagues.

After the enlightening session, an interactive question-and-answer segment was held. This allowed the students to clarify any doubts or seek further guidance on the topics discussed. The students enthusiastically participated, posing thought-provoking questions to the speaker. The speaker's responses were not only informative but also encouraged the students to further explore and develop their personalities.

The Personality Development Program at Nanded Pharmacy College was an undeniable success, leaving a lasting impact on the students. The event provided them with valuable insights and practical strategies to improve their vocabulary, spoken skills, and overall personal development. Through the speaker's emphasis on body language and language command, the students were equipped with the necessary tools to excel in their future careers.

This activity was organised in collaboration with all the departments, total 25 students participated in this event.

DETAILED REPORT OF CLEAN CAMPUS AWARENESS ON 21/06/2018

Clean campus activity was conducted at Nanded Pharmacy College on June 21, 2018. It's great to see the involvement of the teaching and non-teaching staff members, as well as the students, in this initiative. Conducting such activities helps in maintaining a clean and healthy environment for everyone on the campus.

Clean campus activities are essential as they promote cleanliness, hygiene, and a sense of responsibility among the individuals involved. They also contribute to creating a positive atmosphere for learning and working. By actively participating in such initiatives, the college community sets an example for others and encourages everyone to take care of their surroundings.

Engaging in clean campus activities can include various tasks such as picking up litter, organizing waste segregation and recycling programs, cleaning common areas, and promoting sustainable practices like reducing the use of plastic. These activities not only enhance the aesthetic appeal of the campus but also promote a sense of unity and cooperation among the participants.

This clean campus activity at Nanded Pharmacy College on June 21, 2018, was successful and left a positive impact on the entire college community. Such initiatives play a crucial role in maintaining a clean and conducive environment for learning and working.

This activity was organised in collaboration with all the departments, total 19 students participated in this event.

DETAILED REPORT OF TREE PLANTATION RALLY ON 02/07/2018

The Forest Festival celebrated at Nanded Pharmacy College from July 1st to July 7th sounds like a wonderful initiative. It's great to know that tree plantation activities were organized on the college campus as a part of the festival.

Tree plantation holds immense importance as it helps in conserving the environment, mitigating climate change, and enhancing the overall biodiversity. By organizing such activities, the college community shows its commitment to environmental sustainability and plays an active role in preserving nature.

The Tree Plantation & Conservation Rally held on July 2nd from the college to Annabhau Sathe square must have been an inspiring event. It's commendable that all the teaching and non-teaching staff members, as well as students, actively participated in the rally. By shouting slogans related to saving trees, tree plantation, and forest conservation, they raised awareness about the significance of preserving forests and the environment.

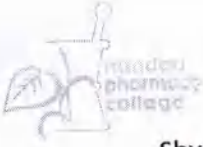

Rallies like these help spread the message of environmental conservation to a wider audience and inspire others to take similar actions. They also serve as a platform to educate people about the importance of trees, the benefits they provide, and the need to protect and plant more of them.

I hope the Forest Festival at Nanded Pharmacy College was successful in promoting a sense of environmental responsibility and inspiring the college community to take active measures towards forest conservation and tree plantation. Such initiatives are crucial in building a sustainable future and preserving our natural resources.

This activity was organised in collaboration with all the departments, total 23 students participated in this event.
