## 6.2.2

### Implementation of e- governance in areas of operations.

#### 1. Administration

The main aim is to improve the services to students, faculty members by providing interactive services. Implementing digital communication channels such as email, google class room, WhatsApp groups and online portals for faculty, staff, and students facilitates effective and timely communication. Official announcements, circulars, notices, and updates can be shared electronically, reducing the reliance on physical notice boards and ensuring that information reaches the intended recipients promptly.

#### 2. Finance and Accounts

The implementation of e-governance in various areas of operations can greatly improve efficiency, transparency, and convenience. One specific area where e-governance can be implemented is in the facilitation of digital payments by students.

Third party payments, Regulatory fees payment etc are done through digital platforms like internet banking and digital payments are also encouraged through secured interfaces.

Students are encouraged to complete their fees through internet banking. Collaborating with banks to provide online banking services can enable students to make payments directly from their bank accounts. This can be done through internet banking portals, mobile banking apps, or payment gateways integrated into the educational institution's website. Implementing an electronic system

for generating and delivering receipts for student payments helps reduce paperwork and simplifies record-keeping for both the educational institutions and the students.

The screenshot displays a software interface with three main sections: 'ABOUT US', 'INFORMATION', and 'ACCOUNT DETAILS'. The 'ABOUT US' section describes the college's establishment in 1996 and its affiliation with Swami Ramanand Teerth Marathwada University. The 'INFORMATION' section provides details about the college's B. Pharm program and its annual student intake. The 'ACCOUNT DETAILS' section contains a table with the following information:

Account Name	PRINCIPAL NANDED PHARMACY COLLEGE
Bank Name	STATE BANK OF INDIA
Branch	INDUSTRIAL ESTATE SHIVAJI NAGAR NANDED
Account Number	52060566584
IFSC CODE	SBIN0020049
MICR	431002104

At the bottom right of the interface, there is a watermark that reads 'Activate Windows Go to Settings to activate Windows' and a copyright notice: '© Design And Developed by Elite Softwares, Pune'.

By implementing e-governance initiatives for digital payments in educational institutions, the college can streamline processes, reduce administrative burdens, and provide students with a convenient and secure payment experience.

The account of the institution are maintained through the Tally software. By implementing e-governance initiatives in third-party payments and regulatory fees payment, along with maintaining accounts through Tally software, the college can enhance efficiency, transparency, and accuracy in financial operations. This leads to improved governance and better service delivery to citizens.
