### 7.1.1

#### **GENDER EQUITY ACTIVITIES:**

Promoting gender equity and empowering women through various activities is a great way to create a more inclusive and equal society.

"In our institute, we are dedicated to promoting gender equity and empowering women through a range of activities aimed at enhancing their skills, knowledge, and well-being. Recognizing the importance of providing opportunities for women to thrive, we have implemented several initiatives that have had a positive impact on our community.

One of the key activities we organize is training sessions for tailoring skills. By offering courses in tailoring, we empower women with a valuable skill that not only enables them to create their own garments but also open up opportunities for entrepreneurship and financial independence.

Additionally, we organize promotional rangoli competitions centred around the theme of 'Save Girl Child.' These competitions not only showcase the artistic talents of women but also serve as a platform to raise awareness about the importance of gender equality and the value of every girl's life.

Health checkup: Conducting regular health checkups for girls ensures their physical well-being and addresses any health concerns, emphasizing the importance of proactive healthcare.

In our commitment to gender equality, we regularly organize seminars on various topics related to women's rights, challenges, and empowerment. These seminars provide a platform for discussions, knowledge sharing, and the development of strategies to address gender disparities in our society. By raising awareness and fostering dialogue, we inspire change and encourage greater gender equity.

Furthermore, we offer personality development programs specifically designed for women. These programs focus on building self-confidence, effective communication, leadership skills, and assertiveness. By nurturing these qualities, we empower women to overcome societal barriers and fulfil their potential in all aspects of life.

Lastly, we recognize the importance of physical and mental well-being. We conduct yoga sessions for women, providing them with a serene space to improve their physical fitness, reduce stress, and enhance their overall mental health.

Through these gender equity activities, our institute strives to create an inclusive and empowering environment for women. By equipping them with essential skills, knowledge, and support, we aim to bridge gender gaps, promote equality, and enable women to realize their dreams and aspirations."

Gender equity programs conducted by our institute aim to promote equality and empower individuals of all genders. Here is an overview of the programs we conducted;

**Self-defense for girls:** This program focuses on equipping girls with self-defense techniques and knowledge to enhance their safety and confidence.

**Seminar on health and hygiene:** These seminars educate girls about essential health and hygiene practices, including menstrual hygiene management, nutrition, and overall well-being.

**Discussion on women's contribution in health sector:** By organizing seminar on women's contribution in health industry, our institute raises awareness about the health and looking towards health sector as a profession.

**Drawing competition on gender equity:** This competition provides a creative platform for students to express their views on gender equity through art, promoting awareness and understanding.

### Minutes of Meeting

#### Internal Complaint Committee (ICC) 2022-23

#### Meeting

Internal Complaint Committee (ICC) meeting was held in meeting room on 16/09/2022 in the presence of all members on 4.00 pm.

#### Minutes of Meeting

- Ms. R. M. Dhane welcomed and presented each member of the Internal Complaint Committee 2022–2023 at the outset.
- Dr. N B Ghiware, the chairman, spoke on the importance of the ICC and its role within the College.
- The chairperson described the duties and roles of each committee member.
- The chairperson gave the members advice on how to handle complaints and efficiently settle problems within the allotted time.
- The principal and chairperson, Dr. N. B. Ghiware, made a plea for a positive environment to be created and maintained in order to prevent any complaints from being made.
- All members assured the chairperson that the committee would function effectively.
