REPORT OF BLOOD DONATION CAMP AS A PART OF MOU WITH JEEVAN ADHAR BLOOD BANK ON 25/09/2017

A highly impactful and compassionate event, a Blood Donation Camp, was organized in college as a part of MOU in collaboration with Jeevan Aadhar Blood Bank on World Pharmacist Day dated 25/09/2017. The event aimed to raise awareness about the importance of blood donation and to contribute to the noble cause of saving lives.

The Blood Donation Camp commenced with meticulous planning and coordination by the college administration and the medical staff involved. Prior to the event, extensive preparations were made to ensure a safe and hygienic environment for the donors. Medical professionals were present to guide and assist the participants throughout the process, ensuring their well-being.

The significance of blood donation and its life-saving impact were emphasized through informative sessions conducted by healthcare experts. The participants were educated about the dire need for blood in emergency situations, medical treatments, and surgeries. They were made aware of the fact that a single blood donation can potentially save multiple lives and make a remarkable difference in someone's recovery and survival.

During the event, the college premises were transformed into a well-equipped blood donation centre, adhering to all necessary medical protocols and safety measures. The volunteers from the medical staff meticulously screened the potential donors to ensure their eligibility for blood donation. Once cleared, the donors were ushered into the donation area, where their blood was collected using sterile techniques and state-of-the-art equipment.

Post-donation, the welfare of the donors was of paramount importance. To replenish their energy levels, glucose solutions and biscuits were provided to each donor. This thoughtful gesture aimed to aid their quick recovery and ensure their well-being. The medical staff closely monitored the donors, ensuring their comfort and addressing any concerns they may have had. The success of the Blood Donation Camp can be attributed to the collective efforts of the college administration, medical staff, and the selfless donors.

In conclusion, the Blood Donation Camp organized in our college was a remarkable and life-affirming event.

This activity was organised in collaboration with Jeevan Aadhar Blood Bank, Nanded, total 21 students participated in this event.

REPORT OF BLOOD DONATION CAMP AS A PART OF MOU WITH JEEVAN ADHAR BLOOD BANK ON 25/09/2019

A Blood Donation Camp was organized at the college, as a part of MOU activity on World Pharmacist Day on 25/09/2019 in collaboration with Jeevan Aadhar Blood Bank, Nanded and it turned out to be a resounding success. Both the college staff members and students enthusiastically participated in the event and selflessly donated their blood to contribute to a noble cause. The atmosphere was filled with a sense of unity, compassion, and a shared commitment to making a difference in people's lives.

The blood donation process was meticulously organized by the college administration in collaboration with Jeevan Aadhar Blood Bank, Nanded. A dedicated area within the college premises was set up as the donation centre, equipped with all the necessary medical supplies and equipment. Trained medical staff members were present to guide and assist the donors throughout the process, ensuring their safety and well-being.

One by one, the donors came forward, showcasing their selflessness and altruism. They willingly rolled up their sleeves, ready to offer a lifeline to those in need. The medical professionals carefully collected the blood, following strict protocols to maintain hygiene and prevent any potential risks.

After the blood donation process, it was important to ensure that the donors' energy levels were replenished. A recovery area was set up, where the donors could rest and recuperate. To aid in their recovery, glucose solutions and biscuits were provided to replenish their energy levels and stabilize their blood sugar levels. The donors were encouraged to rest for a while, allowing their bodies to adjust and recover from the blood donation process.

The event served as an excellent platform to raise awareness about the importance of blood donation and the vital role that pharmacists play in healthcare. It highlighted the significance of collaboration between medical professionals, pharmacists, and the community to address critical healthcare needs.

This activity was organised in collaboration with Jeevan Aadhar Blood Bank, NSS Team, All Departments, total 17 volunteers participated in this event.
