Policy document of the HEI for award of Non government scholarship & freeships

Shri Sharda Bhavan Education Society & Nanded Pharmacy College facilitates the students for Government scholarship & freeship. Every year students from different categories receive scholarship & freeships of various schemes of the Government.

The college also encourages students for Non-Government scholarship & freeships from private institutions providing scholarship to students. Beside that as such management & college will not provide any scholarship & freeships. Some time economically weaker section students ask assistance from management & they provide it as the case may be.
