1.4.1.C

Action Taken Report on Feedback Analysis

Feedback analysis	Parameters	Action taken
Student	Betterment of laboratory, library and other infrastructural facilities in college along with general discipline	All the requisite and essential facilities in laboratory, library and other infra structural facilities were inspected/ checked and informed to management also. However continuous attempts are made to provide expected facilities for smooth functioning.
Alumni	Participation as a student in the various activities, Development activities organized by the College Involvement of alumni in development of students	All the students were motivated to take active participation in various curricular as well as co-curricular and extracurricular activities throughout the academic course Principal advised and strongly recommended all the faculty members to organise student centric activities which can provide scope for overall development. Alumni were appealed to involve in overall development of students in terms of knowledge sharing and providing information related to training and placement. steps were taken to <u>officially register</u> the alumni association.
Parents	General facilities and infrastructure of institute Effective teaching-learning methodologies	General facilities and infrastructure of institute were improvised by means of providing wi-fi connectivity, washroom facilities for physical disabled and drinking water facilities at every floor Inculcation/ adaption/ implementation of ICT based teaching methodologies
Faculty	the syllabus need to be change in terms of different levels such as content, reshuffling of course	the suggestions were compiled and communicated to the Board of Studies (BoS),
